

Worshipping with Hershey PCA during the pandemic:

We are glad to currently have two ways for you to gather with us for worship on Sunday mornings. Please choose the option that is best for your situation and circumstances.

In-person worship: We meet inside on the bottom floor of St Joan's school at 10 AM on Sundays. We are providing spaced seating to allow for appropriate social distancing. We are asking that singing during the service be done gently during this time. Face masks are required for everyone age 4 and up while in the building. A junior church for age 3 through Kindergarten is available during the sermon. There is a changing and nursing area available, but currently no nursery is offered. No in-person classes are being offered on Sunday mornings at this time. We plan to update you as these things change. Because of the current situation with the pandemic, we ask you not to attend in-person worship if you have Covid-like symptoms, are running a fever, are being advised to quarantine by local, state, or CDC guidelines, or are at increased risk for severe illness.

Livestream: If you are unable to attend in person, you can also choose to join our gathered worship by livestream on our Facebook page at www.facebook.com/Hersheypca. We try to go live about 5 minutes before the service begins to give you opportunity to log in. A worship booklet can be downloaded from our website's homepage at www.hersheypca.com. The new booklet is placed on the website each week by Saturday. In addition to our morning worship, we periodically offer classes for children and adults on Sunday afternoons by Zoom. For more information about the current afternoon classes, please email us at office@hersheypca.com.
